**The Epiphany of the Lord
January 3, 2010**

EPIPHANY:

MEMORIES AND IMPRESSIONS

“IF A TREE FALLS...”

Epiphany has become one of my favorite feasts. It was not always so. My earliest memory of Epiphany--a.k.a. “The Feast of the Three Kings”--was unpleasant. It was, for many of us, not a celebration, but the day to take down the Christmas Tree. There was more than sadness as we stripped our once glorious “*Tannenbaum*.” Even though it had begun to drop pine needles, it seemed so disloyal, so disrespectful to drag our “old friend” out of the house into the cold ... to abandon it in the gutter.

When I read Hans Christian Andersen’s sad little story, “**The Fir Tree**,” I had a kind of *deja vu*. In the story, a little fir tree dreams of greatness, of being the center of attention and admiration. His day comes when he is cut down and beautifully decorated as a Christmas Tree. Sometimes, for him, there was too much noise. The candles lit on his boughs often came dangerously close to setting him ablaze! Even so, he relished the

festivities that seemed to make him the center of the universe. In the end, the fir tree was denuded of his glory and tossed out into the cold. His fate--alas-- was far worse than being discarded and forgotten. The flames that had so frightened him were, in the end, to consume him!

I am still very fond of **real** Christmas trees, but, for at least fifteen years, I have settled for a small, poor imitation. It is packed away with the “hardware” of the season--glass, wood and straw ornaments, *papier maché* red apples and even artificial popcorn garland! Farewell to that kind of “Tree” has the advantage of “Baby Shampoo”-- no tears!

“A CONTINUUM OF KINGS?”

In countries influenced by Spanish and Italian customs, Epiphany is not a footnote to Christmas. It is the high point of the season. It is the day of the “Three Kings.” They, not Santa Claus, bring gifts. I did not grow up with this tradition, but I was challenged in

my first assignment, with a growing Hispanic congregation. One of the first requests they made was that we celebrate Epiphany with a very “grand” Mass. The Mass was one of my first experiences of sharing faith and culture in a multi-ethnic community. Care was taken to welcome **all**, to exclude no one. The Mass was bilingual and involved children in every possible way. Some children sang. Others dressed as shepherds. Still others enlarged our usual corps of servers. I’ll never forget another part of that Epiphany celebration. I was asked to portray Melchior, the oldest of the kings. It was a “stretch,” but it was marvelous! My favorite part of the experience was joining my fellow “kings” at the reception. Distributing candy and small gifts helped me to develop a real sympathy for the customs and traditions other than my own.

“KINGS CLUB”

The next “giant step” in understanding Epiphany was to take the experience of **being** one of the kings and invite others to do so. At St. Lambert Parish I began what I once jokingly referred to as the “Kings Club.” My insight led me to invite men of different ages (including teens) to portray the Three Kings leading a “Procession of the Nations.” Since we were not trying to recreate a scholarly or theologically “correct” *tableau*, we were able to take a great “leap” into the broader significance of the Magi. Instead of trying make our “volunteers” look like Chaldean Astrologers, we decided that they should wear costumes reflecting their ancestry. Thus, we had Filipino, Nigerian, Assyrian, Chinese, German, Mexican, Polish, Italian, Greek-Peruvian, African-American,

Indian, and Sri Lankan “kings.” It was also understood that no one would appear more than once as a “king.”

We had one more addition to our Epiphany

BEFANA

“scenario” - - the appearance of **Befana**, the legendary “witch” who refused to accompany the Magi, changed her mind, but found neither them nor the Holy Child, Jesus. **Befana**, the Epiphany witch, is the “gift giver” in Italy. She gives gifts, it is said; because, she finds the reflection of the Christ Child in innocent children's faces. Our “Befana” was played by the same Italian lady every year. While the Magi presented gold, frankincense, and myhhr at the *creche*, **Befana** presented a bag of small toys. And so, faith, culture, and even fantasy can weave a seamless fabric to manifest the depth of Epiphany's universal WELCOME to all!

CATHOLICS COME HOME

"Finding one's way in the Middle East centuries ago depended upon the sun, the moon, and the stars. One knew where one was and in which direction one was going when the heavens guided the way. The star of Bethlehem guided the Magi to the King of Kings. These kings revealed the Redeemer and Savior has been given for all humanity! The heavens are not so helpful these days! Like then we need guiding; we need a sense of mission and purpose. Where is our guidance? How do we find our way? Well, as He said, Jesus is the way as well as the truth and the life. Our world holds so many voices, which want to direct us. A single voice, the Holy Spirit within, becomes the guide. And this voice is a person easily recognized because it sounds like Jesus!

The **Catholics Come Home** evangelization initiative invites all of us, especially our brothers and sisters who have drifted, to reconsider the faith and to deepen the faith. With the Holy Spirit we connect to a living, personal principle, which guides our living, our choosing, and our planning. More than a principle or a value, this guidance is a person, and the Word of God. Growing in our relationship to Christ guides us in becoming a fully human person in the image and likeness of God. The Church and the sacraments become the daily nourishment and molding we need to make sure we are in the right direction. Indeed we need the guidance of such a 'star', in the darkness of our complicated lives as well as in the light of our gifts and talents! God has a direction and a plan for our lives!

Check out the FAQs at www.catholicscomehomeCHICAGO.org as you enter this New Year. Allow your understanding of Christ, of the scriptures, of personal prayer, of an active sacramental life, plenty of room for growth and depth this coming year. If you are reading this and have recently returned to the practice of the faith, WELCOME! The Church calls each year a year of grace! May 2010 be your **year of grace!**

HUMAN CONCERNS

Drive Focused in 2010 (courtesy of Advocate Health Care)

Driving under the influence is not the sole bane of safe driving. **Driver inattention** is related to **“80% of crashes and 10% of all fatal accidents.”** Behaviors such as “eating, picking something off the floor, drowsiness, fiddling with the radio, gawking and polishing nails can be disastrous while you drive.” **Cell phone use is of particular concern.**

If you **use a cell phone** while you drive, “you are **four times** more likely to have an accident,” “... are **more impaired** than someone having a blood alcohol level of 0.8...” & “... **reduce your driving brainpower** by 37%.”

It is a **punishable offense** in Illinois for “drivers under 19 or school bus drivers” to use a cell phone while operating a motor vehicle. Cell phone use is “banned in a school zone or a highway construction zone.” It’s illegal in Chicago to use a “hand-held device.” **As of January 1, “texting” is prohibited for “everyone driving anywhere in Illinois.”**

Have **to make or answer a call** or **need to text** someone? **Pull off** the road. It’s the lawful & responsible thing to do.

Have a safe 2010.

**The Women's Center Bulletin
Announcement for January, 2010**

January 22nd marks the 37th anniversary of the legalization of abortion which has resulted in the death of nearly 52 million innocent, unborn babies in this country, one every 30 seconds. Legalization of abortion was promoted as supposedly a rare procedure. We can only estimate how many women have undergone tremendous suffering because of their abortions. The Women's Center is a pregnancy resource center which has saved approximately 33,000 babies and their mothers from the pain of abortion in our 25 years of service. We offer them a choice other than abortion and provide counseling, material assistance, friendship and prayer support.

Volunteers are needed Monday through Saturday to organize and sort clothing donations, to answer calls in our counseling offices. For more information call 773-794-1313.

Mark your calendars. The Women's Centers' **25th Annual Life Banquet** will be held on Sunday, February 14, 2010 at The White Eagle in Niles. Since it is our Silver Anniversary, it will be a very special event. Featured are Conrad Wojnar, Joe Scheidler, Susan Conroy and Sheila Liaugminas. If you have an item, gift certificate or service to donate for our silent auction, it would be most appreciated. For tickets or to donate phone 773-794-1313.

We desperately need a used cargo van in good working condition.

We need diapers in sizes newborn, 4, 5 and 6. If you can organize a diaper drive, perhaps as a service project for Scouts, Confirmation, service hours, etc., call Peg at 773-794-3292 (**for** more information on diaper drives **only**). Thanks to those who have responded.

We also need **new layette items**, infant sleepers, crib sheets, bumper pads, new clothing for infants (newborn to 9 months) and winter coats and boots (especially for children). Due to space limitations, at this time we cannot accept any other clothes. We **need 7 baby cribs**, odd crib parts for repairs, 3 toddler beds, infant car seats, 4 bouncers, 5 pack and plays, 7 strollers, 3 changing tables and 6 baby swings. It will be a great help if you can deliver these to us. For our address, or if a pick up is needed, please call 773-794-1313. **All clothing needs to be dropped off unless accompanied by baby furniture.** We need more volunteers to pick up baby furniture. The families who receive these items are grateful for your generosity.

If you shop at Dominick's Food Stores and register your Fresh Values card with The Women's Center, we earn a percentage of what you spend. You can shop any day and at any time of day. Please call us at 773-794-1313 to register your card.

BREAKFAST WITH SANTA

Braeden Manogura told Santa that he has been a good boy and asked for "Five Little Monkeys" as his Christmas present, Santa said YES to Braden's wish. Lucas Mueller asked Santa for a Nintendo DS and Santa said OK. Like Braden and Lucas, all the kids from the Saint John Brebeuf community lined up to ask Santa for their favorite toys last Sunday after mass. Mr. and Mrs. Santa stopped at the Parish Minister Center at about 10:30 am while the children and their parent(s) were enjoying a healthy and delicious breakfast. Mrs. Santa Claus handed little presents to the kids after they met Santa, and Jacob Kanarowski, a kindergartener handed candy canes.

To make sure Santa remembers their wishes, the kids also wrote him letters. While waiting to talk to Santa, the children enjoyed making other crafts. At the end, the kids participated in the Christmas raffle. A few lucky kids went back home with some exciting toys won in the raffle. Our own Father May also visited with Santa and the attendees.

The families of the attendees contributed with toys for the less fortunate kids. In all, about four hundred people attended the event which was sponsored by the Parish/ School Association of Saint John Brebeuf School.

KINGLY GIFTS

This day in many parts of the world is called Three Kings Day because of today's Gospel reading about the visit of the Three Kings or Magi to see the child Jesus. The church's name for the day, Epiphany, is based on a Greek word that means "to reveal" or "make visible" Here, the child Jesus is honored not by his own people and certainly not King Herod but by strangers from afar. Only Matthew's Gospel tells their story. There are not many details about the Magi, but pious legends have built up around them over the centuries. A modern version is the operetta *Amahl and the Night Visitors*, which used to be seen on television at this time of year. The Jewish hope for centuries had been that a Messiah, God's Anointed One, would be sent to the Jewish people to save them from their sins and deliver them from their enemies. But here we see that God reveals the Son not just to the Jews but to the Gentiles, people like us who are also seeking a Savior, one whom they recognize with joy. We have expected the Savior all through Advent; we have celebrated the wonderful gift of His birth during Christmas; and now, in this new calendar year, what gifts will we present to Him in return? New Year's resolutions often include a decision to work off all those the extra pounds that we have gained from all our feasting and celebrating. That is all well and good as far as it goes, but why not resolve to do something extra for those you love and something more for the community in which you live? Show the love of God that is at work in your heart, or as Saint Francis of Assisi is thought to have said, "Preach the gospel at all times. When necessary, use words."

ADDING NAMES TO THE PARISH SICK LIST

It has always been the policy of St. Isaac Jogues to offer our parish community an opportunity to pray for those parishioners who are ill and in need of our prayers. We have tried to keep close track of these names for our Bulletin as they are made available to us.

However, now we face an important privacy issue, very much like the issues faced by hospitals, health institutions, and certainly by other parishes.

We cannot (by law) publicly let our parish community know the health status of any of our members without their permission.

We appreciate the fact that often friends, neighbors, and acquaintances wish to do something special for a person who is ill, and ask to place their name on the list to be prayed for. While their intentions are surely good, we simply can no longer accept names in this manner.

We will institute a new process regarding calling in names for the Bulletin list.

Names for the sick list placed in the Bulletin have to be called in by the person who is ill, or by a member of their family. At the time they call in the name, they will be asked whether they are the sick person him/ herself, or a member of their family, and if they give permission for the name to be placed on the list. They will be asked for the **correct spelling** of the sick person’s name. If a **family member**, they will be required to give **their** name for our records.

Thank you for your patience regarding this new process. We wish to do all we can to offer our parish community the opportunity to offer prayers for those who are ill — but we must also be cognizant of the fact that all members of our congregation are entitled to their privacy in this regard.
